

YOUR CARNET IS VALUABLE

There is a financial bond attached to it

Please treat your **Carnet** as you would your **passport**, **credit cards** and other indispensable items – that would cause you a major headache and carry financial penalties, if you were to lose any of them.

Don't panic – you just have to make sure you follow these important steps to make sure the Carnet process is as painless as possible. Dynamic Dox is available to help if you're stuck or unsure.

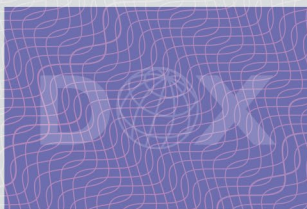

YOU MUST:

1. HAVE YOUR CARNET STAMPED OUT OF THE UK
2. HAVE YOUR CARNET STAMPED IN AND OUT OF THE COUNTRY YOU ARE VISITING
3. HAVE YOUR CARNET STAMPED BACK IN TO THE UK
4. RETURN YOUR CARNET TO DYNAMIC DOX ON COMPLETION OF YOUR JOURNEY

NON-COMPLIANCE OR NON-RETURN MAY RESULT IN FINANCIAL PENALTIES – FOR WHICH YOU OR YOUR COMPANY ARE LIABLE

BE AWARE!

Time limits! Some destination customs impose a time limit for your stay in their country, **please ensure you check this on arrival** and that you can meet their requirements. **Fines and penalties will apply if you fail to meet customs-imposed time limits.**

*CARNETS HAVE NO RESALE VALUE
